

THE ART OF COLOUR CREATION

Free Art Materials Seminar

Join us for a workshop offering great information about colour, where it comes from, and how to use it! Discover essentials about pigments, their creation, and how to mix them effectively. We'll talk colour, mediums and techniques, choosing and using artists' brushes, varnishing, and more.

Learn all about colour creation from the world's finest colour creators, Winsor & Newton. Free gifts, too! Find more great product information at www.winsornewton.com.
